

Anti-Defamation League, A World of Difference Peer Leaders

ADL Peer Leaders operate at Briscoe Middle School and Beverly High. Peer Leaders provide practical, experiential and hands-on training in their leadership roles as they assist their peers to challenge prejudice and discrimination. They foster group understanding to create respectful and inclusive school environments. Peer Leaders teach their peers how to respond effectively when they hear racial slurs, name-calling, and put-downs in the hallways, classrooms and lunchrooms of their schools. Peer Leader Trainers become role models in their school.
