The CRAFFT-II Screening Interview

Begin: "I'm going to ask you a few questions that I ask all my patients. Please be honest. I will keep your answers confidential."

**PART A: DURING THE PAST 12 MONTHS, ON HOW MANY DAYS DID YOU...**

1. Drink more than a few sips of beer, wine, or any drink containing alcohol?

2. Use any marijuana (for example, pot, weed, or hash) or "synthetic marijuana" (for example "K2" or "Spice")?

3. Take a prescription medication or pill that was NOT prescribed to you or MORE than was prescribed to you (for example, prescription pain pills or ADHD medications)?

4. Use anything else to get high? (for example, other illegal drugs, over-the-counter medications, and things that you sniff or "huff")?

If no days of use, ask the CAR question only, then STOP. Ask ALL CRAFFT questions below.

**PART B: CRAFFT QUESTIONS**

1. Have you ever ridden in a CAR driven by someone (including yourself) who was "high" or had been using alcohol or drugs?

2. Do you ever use alcohol or drugs to RELAX, feel better about yourself, or fit in?

3. Do you ever use alcohol or drugs while you are by yourself, or ALONE?

4. Do you ever FORGET things you did while using alcohol or drugs?

5. Do your FAMILY or FRIENDS ever tell you that you should cut down on your drinking or drug use?

6. Have you ever gotten into TROUBLE while you were using alcohol or drugs?

*Two or more YES answers suggest a serious problem and need for further assessment. See back for further instructions.*
